

Enhancing the highest quality Japanese Language Education and cultural experience to Sri Lankan youths.

WELCOME ようこそ

Our mission is provide language-oriented academic reinforcement for Sri Lankan youths and continuously enhancing the quality of our service and constantly innovating teaching methodologies. We are dedicated to helping students fulfil academic, professional and personal goals.

Native Japanese teachers and qualified lecture panel

We have well qualified native Japanese teachers and local teachers to guide you.

Well experienced parent school in Japan

Our parent school in Saga of Japan and they are always giving the correct guidance to Sri Lankan branch.

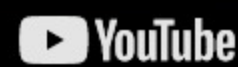

Individual attention for each student

Always checks your improvement and your difficulties. You can question form us always

Who Are We ?

We are the government authorized Japanese Language Training School situated in Nugegoda called Japanese Culture Education Academy. Our mother school is in Saga-Japan with same name called Japanese Culture Education Academy. Our School is collaboration of Japan and Sri Lanka. Therefore we are the very reliable partner of Sri Lanka. At our mother school in Japan we have a lot of foreign students, they are from different countries.
