Japanese Language Teachers Training program.

We are the government authorized Japanese Language Training School situated in Nugegoda called Japanese Culture Education Academy. Our mother school is in Saga- Japan with same name called Japanese Culture Education Academy. Our School is collaboration of Japan and Sri Lanka. Therefore we are the very reliable partner of Sri Lanka. At our mother school in Japan we have a lot of foreign students, they are from different countries, Nepal, Vietnam, China, Sri Lanka, Myanmar, etc. They study Japanese language and Japanese culture, Japanese manners at our school 1.5 years or 2 years , and after finish that they will go to university or vocational school of Japan. And we also help students to choice the school which one is good for him.

Japanese Culture Education Academy offers courses in the learning of Japanese language and Japanese culture for Sri Lankan students .We also provide advices and support to ensure a safe and at ease environment for our students during their stay in Japan. We wish each of you would be able to realize your dreams. If Japanese culture and language are essential parts in realizing your dreams, please come and study at Japanese Culture Education Academy .A team of well experienced instructors and staffs will be more than glad to assist you in realizing your dreams.

Students are able to experience culture exchange and use their Japanese skills with native Japanese people .Communication skills are strengthened by interacting with native Japanese people through trips, culture exchange events, social gatherings and many other events.
